# DEDICATION

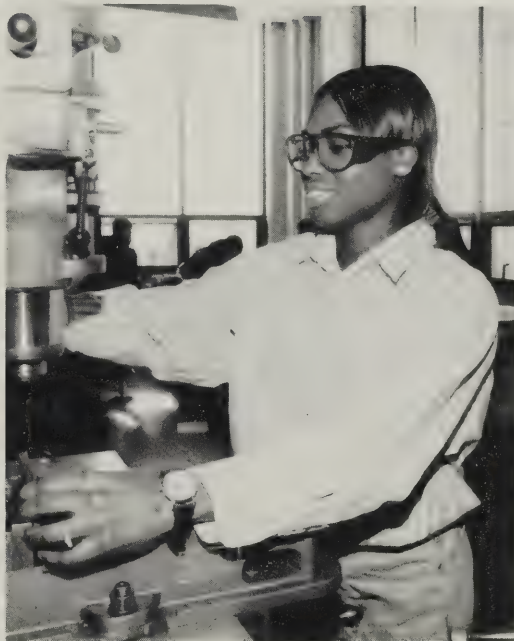

The class of 1995 wish to dedicate our yearbook to

Mr. Art Nehez, our Math teacher. You did more than just teach math, you genuinely cared about the Bloomfield Vo. Tech community. You will be remembered for sharing your soft spoken endless knowledge of math, friendship, community organizing, and team leadership. Your devoted mission of educating our youth will remain in our hearts forever, and you will be greatly missed by all of us.

## SPARTAN'S NOTES

This was a season of could haves, should haves and would haves. We could have been Hillside's Christmas Tournament Champs, But D'ejavo it happened again this year, team leadership mishap. We should have made it to the County Tournament Finals, But Only eight players showed up for the Clifford J. Scott game. We would have been Group I Section II State Champions, But We stopped playing Team ball and started playing Me ball.

### BUT WE DID HAVE

Al-kareem Hill, the first boy basketball player to score over 1,000 pts.

Craig Bradley, averaged over 14 rebounds a game.

Cortez Holder, was the high scorer in one game.

Ronnie Chapman, made his mark against Central High.

Jonthan Cabrera, had the most three point baskets.

Curtis Walker, made his mark in the Shabazz game.

Yes, William Harris dunked in a game.

### Remember

What if? ...

Will haunt you the rest of your lives,

So prepare yourselves, that you never have to ask the question.

What if? ...

## To the Class of 1995\*\*\*\*\* CONGRATULATIONS

It's been a great and painful four years, but all the hard work we have done will pay off when we need it the most. In our lives we must strive to accomplish our most arduous goals. When we begin to see that life is becoming a difficult climb, we shall begin to realize that only then our true selves will be known. Our mistakes will become something of the past, because only God will be able to determine the outcome of it all. When our lives start to change, it is then, that we will know that the task is going to begin. We all have different paths to follow and many dreams to fulfill.

Now I would like to congratulate everyone on a job well done and a goal greatly succeeded!!!! Remember tomorrow is the beginning of a whole new world. May you all go in life with much success, happiness, and enjoyment. Never give up on what you worked so hard to achieve it's just the beginning of a fresh new start.

GOOD LUCK TO ALL!!!!!!

**Tania Diaz**  
*Senior Class President*  
Love Ya!!!!

The Graduating Class of North 13th Street would like to welcome **Mr. Steven Gary** as the schools new Vice-Principal.

## "YOU"

You are the person  
Who has to decide  
Whether you'll do it  
Or toss it aside;  
You are the person  
Who makes up your  
mind whether  
You'll lead or follow  
behind.  
Whether you'll try for the  
best that's afar, or be  
contented  
To stay where you are;  
take it or leave it.  
There's something to do,  
Just thinks it over, it's all  
up to "YOU"

To: My daughter  
Navana

A diploma is very special;  
it's like a golden key  
That turns the lock on any door marked  
"OPPORTUNITY"  
But to get inside,  
It's up to you to give the  
"NUDGE"  
that swings it open wide

It's up to you to take the lead,  
once you're inside the door,  
to see what's behind it  
is it what you've been looking for.  
If it is, you have to mold it,  
really push it, tug it,  
Till that opportunity becomes  
a big success for you.  
So use your key at best,  
And remember that it's up to you  
to go and do the rest!

May your diploma be the key  
to greater opportunities.  
And may the future bring you  
success and happiness

From:  
Mommy & Daddy

**GOOD LUCK & CONGRATULATIONS  
NAVANA**

### **For You Papi,**

Sometimes I wonder if it was easy for you to leave me but then I realize that it was as hard for you to leave me as it was for me to let you go.

Sometimes I wonder if it was easy for you to put me through all this hurt and pain but then I think to myself that you are in as much pain as I am.

Sometimes I wonder to myself why? Why did he leave me? But I realized that you left so that you can stop hurting and so that I can get on with my life.

Sometimes I wonder to myself, have things changed between you and I, then I realize that nothing will ever change especially our love for each other.

But there is one thing that I will always wonder and I know the solution to it. And that is:

“Will we ever meet again in Heaven?”

“Yes, Papi, we will!”

I Love You,

Love you Always and Forever,

Your Daughter
